Itinerary F
5-Night Cruise
Tuesday - Sunday

DAY BY DAY ITINERARY DESCRIPTION

(**B:** breakfast/ **L:** lunch/ **D:** dinner)

TUESDAY
BALTRA AIRPORT – SANTIAGO ISLAND: Sullivan Bay

Upon arrival, reception and assistance at the airport, transfer from Baltra Airport to the M/C Endemic.

In the afternoon, you will visit Sullivan Bay, located on the east coast of Santiago Island. We land on a white coral sand beach and begin our walk over lava that flowed less than 100 years ago. This is the perfect place to see and feel the volcanic origin of Galapagos. Also in this area you will admire flora that grows in lava fields.

Activities: Walk 1/1.5 hours

Type of landing: Dry landing

Difficulty: Easy

(-, L, D)

WEDNESDAY
ISABELA ISLAND: Tintoreras / Sierra Negra volcano – Breeding Center

Isabela Island is the largest of the archipelago with a surface of 4,588 square kilometers. It encompasses more than the half of the total land area of Galapagos.

Las Tintoreras is a group of small islets off the coast of Isabela Island, known for their striking dark lava formations that create a distinctive habitat for diverse wildlife. This makes it an excellent spot for water activities such as dinghy ride and walking. Visitors often get the chance to see turtles, sharks, penguins, and sea lions up close.

Sierra Negra is among the most active volcanoes in the Galapagos and boasts the world's second-largest caldera. Hiking to the top takes you through guava tree forests, and on a clear day, you'll be rewarded with breathtaking views of the island's five other volcanoes.

Activities: Walking, Dinghy Ride

Type of landing: Dry landing

Difficulty: Difficult

After lunch visit the Arnaldo Tupiza Breeding Center of Isabela, infant and juvenile giant tortoises can be seen until they are ready to be released and survive in the wild.

Activities: Walking

Type of landing: Dry landing

Difficulty: Esay

On the way back to the yacht, be ready to spot flamingos and other water birds.

(B, L, D)

THURSDAY
ISABELA ISLAND: Elizabeth Bay – Urbina Bay

In the morning, you will discover Elizabeth Bay, which is a marine visitor site. The excursion is carried out in a zodiac and so there is no landing point. Your zodiac ride starts with a visit to the Marielas islets where there is the largest and most important penguin colony in the Galapagos Islands. The excursion continues into the cove that is surrounded by red mangroves where you can spot sea turtles, flightless cormorants, spotted eagle rays, golden rays, brown pelicans and sea lions.

Activities: Dinghy Ride

Type of landing: Dry landing

Difficulty: Easy

In the afternoon, Urbina Bay will be visited. Here you can see coral formations, large colored land iguanas. The possibility of seeing giant turtles, flightless cormorants, blue-footed boobies, penguins and marine iguanas is excellent.

Activities: Short walk

Type of landing: Dry landing

Difficulty: Easy

(B, L, D)

FRIDAY
ISABELA ISLAND: Tagus Cove – FERNANDINA ISLAND: Espinoza Point

After breakfast, Tagus Cove will be the first attraction to see. A ride along the cliffs in a zodiac will give visitors a good chance to see the Galapagos penguin, the flightless cormorant and other sea birds. From the landing dock it is about a 30-minute walk along the trail up to the top of the cliff from where you can view Darwin Lake, a saline lake saltier than the sea. You can also see several volcanoes from this location.

Activities: Short walk, snorkeling, dinghy ride, kayaking.

Type of landing: Dry landing

Difficulty: Moderate

After lunch, Espinoza point will be visited, which is one of Fernandina's visit points. Located within a fascinating lava scenery with Lava-Cactuses. On the surface of the lava, mangroves thrive. The highlights are sea lions, penguins, the flightless cormorant (especially in spring and summer), and one of the biggest iguana colonies of Galápagos.

Activities: Short walk, snorkeling.

Type of landing: Dry landing and Slippery

Difficulty: Moderate

(B, L, D)

SATURDAY

SANTIAGO ISLAND: Buccaneer Cove/ Espumilla Beach – RABIDA ISLAND

In the morning, you will have the opportunity to discover the Buccaneer Cove that is located just north of James Bay. It was known as a safe haven in the 17th and 18th century for pirates to stash their loot, take on fresh water and capture tortoises for food. It is a nice place for a zodiac ride, snorkeling and kayaking. Blue-footed, Nazca boobys, fur seals, and Galapagos hawks can be seen flying overhead.

Or visit to Espumilla Beach will take place. It is a pristine sandy beach and a popular place for marine iguanas and Sally Lightfoot Crabs. The crabs attract the hunting herons, performing the dance of predator and prey. With an abundance of marine life including octopi, moray eel, and shark, snorkeling is recommended and available.

Activities: Dinghy ride, kayaking, snorkeling, short walk

Type of landing: Wet landing

Difficulty: Easy

In the afternoon, you will be taken to Rabida Island. Its main attraction is the red sand beach, famous for its cactus groves and rock formation scenery, aside from the vegetation of the arid zone and the presence of native and endemic species. During the walk on the red sand beach you will see brown pelicans' nests, and a lagoon where flamingos are seen from time to time.

Activities: Short walk, snorkeling, dinghy ride, kayaking.

Type of landing: Wet **l**anding

Difficulty: Easy

(B, L, D)

SUNDAY

Mosquera Islet – BALTRA AIRPORT

In the morning, visit to Mosquera, a small islet found between Baltra & North Seymour Islands. Lava gulls, sea lions, Sally light foot crabs inhabit this sand bank with an extension of over 600 meters. It also hosts the largest populations of sea lions and orca whales that can be seen occasionally depending on the season you visit the islet.

Activities: Short walk

Type of landing: Wet landing

Difficulty: Moderate

After this last visit, transfer to Baltra airport for your return flight to mainland Ecuador. Assistance and farewell at the airport.
